### **Charting Party April 2nd 2014**

Basel International Speakers got officially chartered on Jan. 30, 2014. Club members, guests and friends were invited to the charting party!

Many thanks you to all, who helped and participated in the preparation, because of our team work, the party was a big success.

A special thank you to Nina, she could book the "Salon des Aviateurs" in Basel Airport, this contributed to the originality of the party location.

These are some pictures of the event, for the members who don't have a Facebook account. For those who have one, you can check more pictures in the club page.

Enjoy!
