The Distinguished Club Program (DCP)

The Distinguished Club Program (DCP) is a system of key performance indicators for the health of our club. There are ten points to be earned; we already have four.

Despite the young age of the club, we are heading to be a Distinguished Club in the future!

Clubs contest September 10th

The club contest will be organised by the new committee (2014-2015) with the help of the past president (Markus Seppälä).

The contest will comprise humorous speeches and table topics and it will be held on September 10th.
